Go Hybrid

Edwardian Hotels London brings
you all together – wherever you are.

Discover three different packages for the perfect solution to suit your meeting or event.

If you're not sure whether to host your meeting online or face-to-face, Go Hybrid with us for the perfect blend of real interaction and convenience. We have hosted events for many years and understand customer needs and the importance of timing and execution. Our venues are in well-connected locations and feature state-of-the-art equipment, technology and reliable Wi-Fi speeds to handle connectivity and security requirements. For those attending in person our dedicated onsite team are here to assist and see to their needs.

Six Reasons to Go Hybrid with Edwardian

1 Modern Venues in Top Locations

Set in perfect locations near business hubs and transport links, discover a collection of inspiring hotels and a team of helpful professionals who are here to assist you with anything you need, simplifying the planning process and reducing admin.

2 State-of-the-art Technology

We promise flawless event execution of the highest quality and ease of use, featuring top-of-the-range video conferencing technology (compatible with any software), reliable high-speed internet (dedicated broadband on request), and expert partnerships for complex technical requirements.

3 Flexible Cancellation & Attrition Policy

Benefit from greater flexibility for bookings held by 31st December 2021. You may reduce number of attendees free of charge, book without prepayment, and use eligible event fees as credit in case of cancellation (terms and conditions apply).

4 Reassurance of Safety

The health and safety of our guests, staff, and partners are of utmost importance to us. We have conducted a review of existing processes and developed a new protocol in partnership with SGS to keep everyone safe.
