With recent awards such as Peter Street Kitchen's 'Best Luxury Restaurant in the UK' and May Fair Kitchen's 'Best Luxury Restaurant in London', we are accustomed to providing only the very highest quality of food and service.

Following government and Public Health England guidance, we will be making necessary changes to our entire food & beverage operations.

Our commitment to you:

Creating safe spaces to dine

All of our areas have been made suitable for social distancing, including the allocation of tables, to ensure the minimum required distance between each party. Tables which are being kept vacant for social distancing measures will be visibly marked with signage. We will continue to take further guidance from the government on distancing measures in due course.

To ensure the safety of our diners and our teams, all guests will be requested to use the hand sanitiser station at the entrance to the restaurant. Guests will also be asked to adhere to the designated entrance and exit routes, which will be visibly signposted by bus stop signage.

Managing our capacity

As a temporary measure, the maximum table size permitted in our restaurants will be six guests. Please note that this may change depending on updated government guidelines.

We actively encourage all guests to make a reservation in advance when seeking to dine in our restaurants. To comply with the current advice from the government regarding Track and Trace, any walk-in guests will be asked to provide their contact details on arrival.

Thorough cleaning processes

All of our properties have held 5* food hygiene accreditations for a number of years. To support the existing standards and procedures required to achieve such status, we have put additional cleaning processes in place in all areas of high touch points to reduce any possible risks.

We are also introducing a no-touch policy, so for the time being, we would ask our regular guests to refrain from greeting our valued team members with a handshake or a hug.

Training our teams

All of our teams will be receiving detailed return-to-work briefing sessions, shown all new processes and standards in detail, given daily wellbeing checks and provided with enhanced protection in their work environment.

Utilising contactless

We understand that limited contact will be important to our guests. As part of our service delivery, we assure guests that while still maintaining five-star service, our waiting staff will make minimum contact with all guests as an added precaution.

In addition, our menus will be available digitally via a QR code on each table and contactless payment will continue to be accepted.

We are passionate about reopening our restaurants and bars in a safe way, and we need your support to do so. For the safety of our guests and our teams, we kindly ask that if you, your guests or colleagues are feeling unwell, please do not visit us until you are feeling better.

Edwardian Hotels London is much more than a collection of hotels, restaurants and bars. We are an extended family that provides a home away from home for all our guests. It is therefore our promise that when you do choose to visit us again, you can do so with confidence.

Following advice from the UK Government and World Health Organisation, we are dedicated to evolving our service delivery model in line with the permitted parameters and it is our commitment to ensure that all our guests depart with simply remarkable memories.

4

Team Safety*

We rely on our team of dedicated hosts to look after our guests, ensuring that every need is met to create longlasting memories and magical moments.

It is very important to us that our hosts feel safe and secure in their working environment. To this effect, we are introducing a wide number of health and safety commitments to ensure their ongoing wellbeing.

- Face masks will be provided to team members for additional safety.
- Additional hand washing procedures and records will be introduced to every department and to every shift.
- Staggered arrival and departure times will be implemented for admin staff.
- Thorough training will be introduced, focusing on educating and empowering our hosts to deliver the enhanced health and safety programme with confidence, passing on this care to every guest.
- Advice for all hosts on the training programme will be available from The Edwardian Hotels London COVID-19 Advisory Board, including:
 - Ensuring hosts have a well-informed understanding of the disease and its transmission.
 - Providing guidance on appropriate social distancing and use of personal protective equipment.
 - Ongoing physical and mental health monitoring and support.
- Grounded in emotional intelligence, our employees will undergo behavioural training, ensuring empathetic, personalised care and connection are not lost in the absence of the close contact and face-to-face interaction that they are used to delivering.

Breakfast

Breakfast Your Way

While we await further guidance from the government regarding buffets, we have, as a precaution, made some changes to our breakfast offering.

We have evolved our breakfast buffet to now offer exquisite, individually portioned and sealed options for our guests to choose from, alongside an increased offering of à la carte dishes and beverages to order to your table.

To ensure we manage our capacities, we are introducing a booking process to allow our guests to dine in comfort at a preferred time and to reduce peak service periods. A breakfast reservation will be made for guests when checking in.

Should guests prefer not to dine in our restaurant, our bespoke breakfast hamper packages can be enjoyed in a guest's room, or while on the move. A breakfast hamper menu will be available for our guests in the form of a QR code.

Breakfast hangers and compendiums will now be removed from our bedrooms.

In-Room Dining

In-Room Dining Safety Standards

As with our restaurant and bar operations, it is equally important to us that we also implement a number of safety procedures and standards to our in-room dining operations.

To this effect, we are introducing the following measures:

- All menus will be available via a QR code in the room. Alternative options will be available on the TV screen and single use menus will be available on request. Orders will continue to be placed by calling the in-room dining team or through Edward.
- Our service teams will wear face masks when delivering in-room dining orders to our guests.
- Where a table and hot box are available for food delivery, these will be placed in front of the guest's room with the food remaining inside the hot box. We will alert the guest of our presence and ensure the appropriate distance is maintained. The guest will then be asked to take the table into the room.
- Where a tray is required for food delivery and a table and hot box are available, the tray will be placed on the table in front of the guest's room, the food will be removed from the hot box and placed on the tray under a cloche. We will alert the guest of our presence and ensure the appropriate distance is maintained. The guest will then be asked to take the tray into the room.
- Where a tray is required for food delivery but a table and hot box are not available, a tray stand will be used. The stand will be placed outside the guest's room with the food present and fully covered by a cloche. We will alert the guest of our presence and ensure the appropriate distance is maintained. The guest will then be asked to take the tray into the room.
- Guests will be required to call the in-room dining team once they have finished their meal. This is to ensure trays are not placed in the corridors, potentially disrupting social distancing of passing guests in the corridor.
- After use, all items will be sanitised and/or cleaned using the appropriate methods.

Monmouth Kitchen

Ethos

Our Kitchens are evolving.

As we prepare to reopen our doors, we are committed to giving our guests a remarkable dining experience. We have therefore made several enhancements to our menus and service style, which will allow us to continue to provide exquisite food and exemplary service delivery within a safe environment.

The changes we are implementing for our style of service will still bear our trademark attentiveness, whilst respecting and adhering to the recommended distance between our guests and our teams.

Although our menus will feature fewer dishes, the ethos of our Kitchens remains the same. Our evolved menus will still offer a selection of contemporary small plates from two distinctive cuisines, with the addition of our new Kitchen Entrées and Our Kitchen Specialities.

As all our dishes are designed to be placed in the middle of the table and shared, this adaptation will provide a number of larger signature dishes, should our guests desire to select their own course.

We look forward to welcoming you all to this next chapter in the story of our Kitchens.

Employee Journey

Employee Journey 2020

Cohorts and Shift Patterns

- Food & Beverage team cohorts may be defined by property; there may be several cohorts per shift if necessary.
- Shift patterns are to be defined based on property requirements.

Cohort Working

From Gov.UK:

"Wherever possible employees should be organised into cohorts or groups built around natural work teams. Cohorts work together, take their breaks together, change together, and travel together if relevant. If one person then becomes infected this increases the ability for only members of that cohort to be excluded and facilitates the smoother running of the facility.

As far as possible, where people are split into teams or shift groups, fixing these teams or shift groups so that where contact is unavoidable, this happens between the same people. Considering where congestion caused by people flow and 'pinch points' can be improved. Using one-way systems, staggered shifts and assigned staff mealtimes are possible ways to minimise the risk of transmission. You should assist the Test and Trace service by keeping a temporary record of your staff shift patterns for 21 days and assist NHS Test and Trace with requests for that data if needed. This could help contain clusters or outbreaks.

Consider creating cohorts or groups of staff to minimise contact and reduce potential transmission. Cleaning should also be scheduled around zones and cohort lines."

Personal Protective Equipment

Employees are to continue with the use of PPE as stated in the Food Safety Management System.

Employees are to continue with the use of PPE as stated on the cleaning task cards provided by Edwardian Hotels London and affiliated partners.

- All guest facing and food production roles will require the use of face coverings for the safety of all employees and guests

The Kitchen (Employee Canteen)

The Kitchen - (Employee canteen) Reduced Capacity

It's in the kitchen where the warmth of shared memories, laughter and great food create a recipe that spans the generations. Dine, relax and unwind. For this is your home away from home.

Welcome to The Kitchen.

To facilitate a safe environment for our employees, we have implemented several additional procedures across our employee canteens.

- Allocated break times for each working cohort. The use of seating areas outside the allocated cohort break times should be minimised. (timings to be determined per individual property needs).
- Maximum numbers to be allocated per canteen; senior management are to monitor usage and adherence to the measures
- If there is the need for a queue, social distancing is to be adhered to
- ${\scriptstyle \bullet}$ Hand sanitising station to be used upon entry and exit
- One-way systems to be followed if in place (requirements to be determined per individual property)
- Congregating is not allowed in any areas that block the flow of colleagues and disrupt social distancing
- The Kitchen is not to be used as hot desk or meeting space
- No shared serving utensils are to be used; food is to either to be served by allocated personnel (personnel to be determined per individual property), (hot items) or individually portioned (cold items)

- Tables are to be positioned to allow social distancing
- Working cohorts are to sit together on allocated tables
- Cohorts are to clear all used items to the disposal area
- Team members are to clean their tables of debris after use, wiping down with D10 and disposable blue paper
- High contact areas will be sanitised after every serving period
- All condiments to be removed and pre-packaged
- Water to be available in jugs where the canteen has been relocated to a meeting space
- Napkins to be removed from tables
- Cutlery to be individually wrapped in disposable napkin for collection
- Shared computers to be sanitised before and after each use
